*Genuine TM-27*

## Programming your Remote into the Motor

1. Remove front cover from your existing remote.
2. Remove the cover from your new remote.
3. Simply copy the 9 dipswitch combination from your old remote to your new remote.
4. Refit covers. Your remote is now ready for use!

## Changing the Codes in your Motor

1. Remove your control box from the wall, and open the rear cover.
2. Inside are 9 dipswitches, change them to any new combination.
3. Copy this code to your remotes, and the code will be changed.
